AMENDMENT

Sir:

This paper is responsive to the Office Action mailed September 11, 2002, and is filed prior to the expiration of the period for response set by the Examiner.

In response to the Office Action mailed September 11, 2002, please amend the above-captioned application as follows:

IN THE CLAIMS

Please cancel claims 26-28, 32-35, and 39, without prejudice to their resubmission.

Please amend claim 29 as follows. A version of these amendments entitled "Version Marked to Show Changes" is attached.

5.29. (Amended) A method for receiving and decoding signals from a telecommunications network at a residential gateway, and transmitting decoded signals from the residential gateway to a plurality of devices including multiple televisions, the method comprising:
